

Go to the heart of healthcare computing and you'll find Compaq. Why Compaq? Because when you're dealing with critical data that lives depend on,

Who does the
healthcare industry
turn to for
IT pain relief?

Compaq is the smartest choice for your primary IT care. To better serve the healthcare industry, Compaq has formed strategic alliances with leading healthcare application providers. Like SMS, Cerner, McKesson/

HBOC, QCSI, Eclipsys, Meditech and IDX, as well as technology leaders such as Microsoft and Oracle. It all adds up to better answers for hospital information systems, managed care solutions and telemedicine anytime, anywhere. To learn more about the leading IT remedy, call 1-800-AT-COMPAQ or visit www.compaq.com/healthcare.
