

**ON YOUR MARK. GET SET. CATCH UP!**  
**COMPAQ SET THE PACE FOR**  
**EPROCUREMENT 20 YEARS AGO.**

Electronic Procurement is the finish line. And you can reduce purchasing costs faster with Compaq. With 20 years of project experience and thousands of skilled professionals, we're up to speed—and up to the task. So you can trust Compaq to help you completely, competently and quickly. And we'll deliver a more flexible Electronic Procurement environment that meets your needs now—and grows and evolves with your business in the future. If it's Web-based procurement technology you're after, you're better off running with expertise and experience. Get ahead. Click [www.compaq.com/services/eprocurement](http://www.compaq.com/services/eprocurement) or call 1-800-AT-COMPAQ. Catch us at the NAPM conference, booth #217.
